

2022

This survey is anonymous; please do not list your/your child's name. You can send this in the mail with no return label to ensure it says anonymous. In an effort to continue to offer you the best childcare possible, I ask you to take a few minutes to read over and complete this survey. Feel free to add any other information that you feel I could improve on. I am always looking to improve my program and your feedback is very much appreciated. Thank you for your time.

Feedback

1. What do you like best about your Daycare Provider?

Mrs. Bettye is the best! I will be forever grateful to her and Mr. Martin

2. What could your Daycare Provider do to improve their program?

The program is amazing! Keep it up. My daughters are so smart because of it and the one on one's

3. Would you recommend your provider to other parents? Why or why not?

Absolutely would! I never have to wonder about my kids. I know they are safe, being fed well and being taught very well!!
