- |                                                                                                                                             |                  |
|---------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| 1. The day care provider shows my/our child one on one attention and affection.                                                             | 1 2 3 4 <u>5</u> |
| 2. The day care provider's home environment is one I/we are comfortable with.                                                               | 1 2 3 4 <u>5</u> |
| 3. My/our child seems to be thriving well under the day care provider's care.                                                               | 1 2 3 4 <u>5</u> |
| 4. My/our child seems content and happy to be with the day care provider.                                                                   | 1 2 3 4 <u>5</u> |
| 5. The day care provider seems knowledgeable about child-care.                                                                              | 1 2 3 4 <u>5</u> |
| 6. The day care provider tells me/us about my/our child's daily activities.                                                                 | 1 2 3 4 <u>5</u> |
| 7. The day care provider is communicative with the parents/guardian.                                                                        | 1 2 3 4 <u>5</u> |
| 8. My/our child is well taken care of by the day care provider.                                                                             | 1 2 3 4 <u>5</u> |
| 9. I/we believe that the day care provider is working together with me/us to help provide my/our child a safe, healthy and happy childhood. | 1 2 3 4 <u>5</u> |

In the space below please clarify why you have any dissatisfaction with the day care provider's services or environment. Also make any comments or suggestions that you believe would help to improvement your day care experience.

this place is perfect!

Please use the below area to briefly explain what it is that you most like about your provider and their day care services.

Mrs. Bettye & Mr. Martin treat my kids like family and very loving  
thoughtful. Kids learn very well here! Thank you!
